OSO GRANDE ELEMENTARY PTA

Celebration Book Club

2020-2021

Life looks different, but there are still plenty of reasons to *CELEBRATE*!

Let's build our library with new books we can look forward to!

How it will work:

- Purchase a book(s) on www.osograndepta.com
- Receive a link to peruse available titles, and then select your book
- Your child will be "celebrated" in a video by Miss Bethanie and/or Mr. Bogle
- You will be notified when you can (safely) pick up your book from your teacher, or you may choose for the book to go directly into the library
- Your book will have instructions on when to return to teacher
- Virtually watch our Celebration Bookshelf grow with new books for our library!
