

OSO GRANDE GRIZZLIES

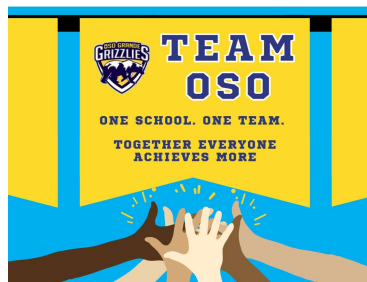

PTA = Parents, Teachers & Staff

working together to support and enrich our School Community

- Advocate on behalf of all kids
- Enrich/Supplement Curriculum for the Whole-Child Balance
- Help build a sense of Community

*This year's Theme: Go TEAM Oso
Together Everyone Achieves More*

The following are ways that you can support our PTA:

- **Adult PTA Membership - \$16** (Become a member of our Association with a voice/vote and help to advocate on behalf of all students. PTA believes *all* children are our children.)
- **Donation Drive (Donations per Student)** – make a donation on our website with 100% of the donation going straight to Oso Grande PTA – with an opportunity to earn a few incentives as well
- **Fun Run** – great opportunity to reach out to friends and relatives to support your student and our school through this exciting character-building program which encourages having fun running, showing class and school spirit with a chance to earn fun prizes of all kinds.
- **Give-Back Fundraisers** – Restaurant Nights, AmazonSmile, Box Tops and other smaller fundraisers throughout the year give families a chance to contribute a portion of their expenditures back to our school. Every little bit helps!
- **Volunteer**

** Depending on the year and our school's needs, the cost per student to provide PTA programs varies. We aim to raise approximately \$200 per student per year to help pay for the enrichment desired by the teachers/staff and association.*
