PTA ART ACTIVITY

"Happiness is a condition that must be prepared for, cultivated and defended privately by each person." –
Mihaly Csikszentmihalyi

Create a piece of art that describes what makes you happy! Students who prefer writing can write a story or poem about what makes them happy. Students who prefer drawing can draw what makes them happy—abstract drawings are perfectly acceptable, too! It can be anything...Get creative!

Send completed art to artsandservices@osograndepte.com.*

**Receipt of student's work gives consent to be shared publicly.*

Research shows that happiness leads to improvements in overall health, in relationships with peers, and on performance. This activity is designed to get students thinking about what brings them joy, so they know what they can turn to when feeling down.

Each student who participates in ALL of the monthly PTA Art Activities will be recognized and will receive a prize at the end of the year. If you miss one, email artsandservices@osogrande.com and we will send you previous activities.

MONSTER MASH RECAP

Thank you to everyone who joined us for a good time at the Monster Mash on Friday. And a big thank you to all the volunteers that made this event possible.
