WALK TO SCHOOL DAY May 3, 2023

Join us **this Wednesday, May 3**, for Walk to School Day. Friendly faces will be handing out

Golden Grizzlies to all those that participate.

Did you know walking can boost creativity by 60%? – this was determined through a study out of Stanford. Some of the greatest thinkers were walkers. Charles Dickens stated that he walked about 30 miles per day while thinking about his writing; Charles Darwin, Steve Jobs and Winston Churchill were all also avid strollers. Let's get

walking, Grizzlies!
